Visitor and Guest Registration

We require all visitors, guests, and vendors to check in and receive a badge when they enter the building. Visitor and guest badges show the person’s name and photo, destination, and visitation time.

Example visitor and guest badge:

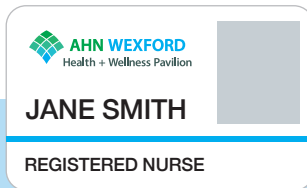

Staff ID

All AHN staff and contractors must wear their AHN IDs at all times. The IDs will help you quickly identify who the employee is, where the employee works, and what the employee does.

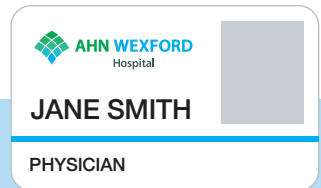

Example staff ID badges:

Standard Employees

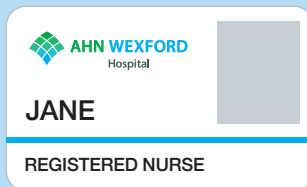

Standard Employees – Non-Hospital

Physicians

Women + Infants Center and NICU Employees (green bar)

ED and Behavioral Health Employees (first name only)

Non-AHN Employees
